Response to Amendment

The reply filed on January 3, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The proposed amendment to the abstract can not be entered, as it does not comply with 37 CFR 1.173, as new language differing from the original patent should be underlined and deletions from the original abstract should be bracketed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Telephone inquiries regarding the status of applications or other general questions, by persons entitled to the information, should be directed to the group clerical personnel and not to the examiner. As the official records and applications are located in the clerical section of the examining Tech Center, the clerical personnel can readily provide status information without contacting the examiner. See MPEP 203.08. The Tech Center clerical receptionist number is (703) 308-1148.

In receiving an Office Action, it becomes apparent that certain documents are missing, e. g. copies of references, Forms PTO 1449, PTO-892, etc., requests for copies should be directed to Tech Center 3700 Customer Service at (703) 308-5648, or e-mail CustomerService3700@uspto.gov.

Any inquiry concerning the merits of the examination of the application should be directed to Bryon Gehman at telephone number (703) 308-3866. My work schedule is normally Tuesday through Friday from 7:30 am through 5 pm, with Friday being worked at an alternative site away from my office.

Should I be unavailable during my normal working hours, my supervisor Mickey Yu may be reached at (703) 308-2672. The FAX phone numbers for formal communications concerning this application are (703) 872-9302 and (703) 872-9303.

Art Unit: 3728
